

BUSINESS TRANSFER PATHWAY, A.A.

What is a Transfer Pathway?

A transfer pathway represents a typical course schedule/sequence for a student planning to complete the A.A. degree within two years, then transfer and major in a specific discipline. A transfer pathway is not institution-specific.

It is important to understand that the pathway provided in the adjacent tab is just one possible combination of classes by which to complete an A.A. and prepare for transfer in your chosen area of study. Other course combinations and sequences can work, too. It is strongly recommended that students work directly and frequently with a COD academic counselor/advisor, a COD faculty advisor, and academic counselors/advisors at potential transfer schools, to develop and execute a plan that works best for them.

For more information about Business, please visit the program page (<http://www.cod.edu/business/>).

College of DuPage also offers institution-specific information to help prepare you to transfer to a four-year college or university; please visit the transfer opportunities page (<https://cod.edu/academics/transfer/programs/>) for more information.

Suggested Semester Sequence

Course	Title	Credits
First Semester		
ENGLI 1101	English Composition I	3
MATH 2134	Calculus for Business and Social Science ^{1, 2}	4

Program Milestones

First Semester

- Consider joining or visiting with a professional, cultural or interest-based Student Club (http://cod.edu/student_life/clubs_org/).

Second Semester

- If you have not done so yet this semester, it is important to make an appointment with a Faculty or Program Advisor (<https://www.cod.edu/academics/programs/business/faculty.aspx>) to discuss your future academic progress.

General Education Requirements

For general education requirements for the A.A. degree, please visit the A.A. degree catalog page (<https://catalog.cod.edu/associate-degree-programs/associate-arts-degree/>).
