ELECTRONICS TECHNOLOGY

Area of Study

For more information about Electronics Technology, please visit the program page (http://www.cod.edu/electronics/).

Degrees, Certificates, and Transfer Pathways

The following is an overview of program requirements and program maps.

- Advanced Electronics Technology, Certificate (https://catalog.cod.edu/programs-study/electronics-technology/advanced-electronics-technology-certificate/)
- Biomedical Engineering Technology, A.A.S. (https://catalog.cod.edu/programs-study/electronics-technology/biomedical-engineering-technology-aas/)
- Electronics Engineering Technology, A.A.S. (https://catalog.cod.edu/programs-study/electronics-technology/electronics-engineering-technology-aas/)
- Electronics Technology, Certificate (https://catalog.cod.edu/programs-study/electronics-technology/electronics-technology-certificate/)
- Industrial Controls and Automation, Certificate (https://catalog.cod.edu/programs-study/electronics-technology/industrial-controls-automation-certificate/)
- Renewable Energy Technology, Certificate (https://catalog.cod.edu/programs-study/electronics-technology/renewable-energy-technology-certificate/)
