

# PUBLIC SAFETY TELECOMMUNICATOR, CERTIFICATE

---

Explore an exciting career as a 9-1-1 Public Safety Telecommunicator. Students completing the certificate program will have the opportunity to obtain a nationally recognized certification. Students go beyond classroom and lab exercises to learn how to demonstrate the skills and abilities necessary to be a 9-1-1 Public Safety Communicator. This includes working under stress, multi-tasking, and quickly making life-saving decisions to serve members of their community.

For more information about Fire Science, please visit the program page (<http://www.cod.edu/fire/>).
