

LIBRARY AND INFORMATION TECHNOLOGY, A.A.S.

The Associate of Applied Science Degree in Library and Information Technology program prepares students for paraprofessional levels of library service. Courses are designed for students with no previous library experience, for those returning to the workforce, or those upgrading skills. Graduates of the program are prepared for the Library Support Staff Certification (LSSC). The LSSC Program is accredited by the American Library Association-Allied Professional Association (ALA-APA). This degree requires a minimum of 64 credits in program requirements, electives and general education in the courses listed below.

For more information about Library and Information Technology, please visit the program page (<http://www.cod.edu/lta/>).
