

# ANIMATION, CERTIFICATE

The Motion Picture/Television program specializes in preparing students for employment and/or transfer in the fields of film, video, television, animation and audio production. Graduates find jobs in industry, education and government; although a knowledge of motion picture or television production is also helpful for those seeking careers in advertising, public relations and other related fields. A hands-on approach to learning is emphasized. Several courses are transfer oriented. The Animation certificate requires 45 credits in the courses listed below.

For more information about Motion Picture/Television, please visit the program page (<http://www.cod.edu/mptv/>).
