

TELEVISION PRODUCTION, A.A.S.

The Motion Picture/Television program specializes in preparing students for employment and/or transfer in the fields of film, video, television, animation and audio production. Graduates find jobs in industry, education and government; although a knowledge of motion picture or television production also is helpful for those seeking careers in advertising, public relations and other related fields. A hands-on approach to learning is emphasized. Several courses are transfer oriented. The degree requires a minimum of 66 credits in program requirements, program electives and general education in the courses listed below.
