

CERTIFIED NURSING ASSISTANT (CNA), CERTIFICATE

Certified Nursing Assistants are entry level providers of direct patient care in today's health care environment, including long-term care, hospitals, home health agencies, rehabilitation and hospice. Routine care is administered by the nursing assistant under the direct supervision of a nurse. Nurse assistant training is completed in one semester of classroom instruction with a clinical component. The **Certified Nursing Assistant Training program** meets the guidelines set by federal and state government. Upon successful completion of the program students are eligible to take the certification competency exam in Illinois to become a Certified Nursing Assistant (CNA). This exam is managed and approved by the Illinois Department of Public Health (IDPH). This certificate requires a total of 6 credits.

For more information about Nursing Assistant, please visit the program page (<https://cod.edu/academics/programs/cna/>).
